

Writing Into History

A Young Writers' Program

Roosevelt–Vanderbilt Historic Sites

We will explore fundamental questions of human rights as we learn about the National Park Service land and the historic buildings and homes nestled on the banks of the Hudson River. We will imagine the land from different perspectives including Native Americans', the Roosevelts', and the Vanderbilts' to inform and enrich our writing.

AGES 12 – 16

July 20 –24, 2015 | 9am – 3pm | \$295
